

# A LASTING GIFT OF HEALTH AND HOPE!

On a bright Saturday in November 1983 at the Word of Life Church, Dr. Cullen B. Rivers and his "assistant," Reverend Judson (Buddy) Childress, treated the first patients of CrossOver Healthcare Ministry. Their sole resources were a bare light bulb hung from a cord and a sheet for privacy. Fortunately, they brought along their talent and their commitment to living the parable of the Good Samaritan.

Since that time, CrossOver has grown to two full service clinics. Our services have expanded to include primary, dental, and vision care, as well as OB/GYN, HIV/AIDS, mental health and social work services.

Each year we provide quality compassionate care to more than 6,000 people in the Greater Richmond Area. And yet, there are so many more people in need of our services.

CrossOver has offered hope and healing for our neighbors in need for more than 30 years. With planned giving we can make it 30 more and beyond!

With your pledged gift you will be recognized as a member of the Legacy Circle on the website and in the annual report (unless you choose to opt out).
