

CrossOver Healthcare Ministry and Tuckahoe YMCA Bright Beginnings Back-to-School Supply Drive

CrossOver has a goal of donating 100 backpacks filled with the following supplies for current children in our pediatric program ages 5-10 years old (K-5 grade).

We are so thankful to partner with the Tuckahoe YMCA who is leading this effort to support area families.

We already have enough backpacks for 100 children, but we still need the below supplies to fill them! Items can be donated at the following locations **through August 12:**

- CrossOver Henrico Clinic (8600 Quioccasin Rd., Suite 101)
- CrossOver Richmond Clinic (108 Cowardin Ave.) **on Fridays only**

If you have questions or your organization wants to get involved, please contact CrossOver's community engagement manager, Tim Illsley, at 804-655-2794 x241.
