

Vaccines at Cross Over

Adult Vaccines: 19 years and older: The following adult vaccines are donated from RxPartnership and require a prescription to be sent and processed through our pharmacy at Cowardin only:

Merck Vaccines for Adults 19 and over:

Gardasil (HPV)	Varivax (Varicella)
MMR (Measles, Mumps, Rubella)	Vaqta(Hep A)
Pneumovax23 (Pneumococcal Vaccine Polyvalent)	Zostavax (Varicella)
Recombivax(Hep B,regular and Dialysis formulas)	

PRESCRIBING to CrossOver Pharmacy for the above adult Vaccines:

If you are serving at our *Cowardin* location and the pharmacy is open:

1. ePrescribe the needed vaccine to CrossOver Pharmacy.
2. Notify Nursing

If you are serving at our *Quioccasin* site or at Cowardin when the pharmacy is closed:

1. ePrescribe the needed vaccine to CrossOver Pharmacy.
2. Mark "Vaccine Clinic" on the checkout sheet. The patient will be scheduled at our Cowardin location.

Other adult vaccines that are available at both CrossOver clinics (don't need an rx just an order):

Boostrix (Tdap-diphtheria/pertussis/tetanus)
Energix-B (Hepatitis B-adult)
Seasonal Flu Shot

ORDERING: *Please verify with nursing staff that vaccine can be administered immediately*

1. Place the order under the Immunizations hyperlink > Add > My Favorites > select vaccine > OK
2. Notify nursing

**If you are in Cowardin and the pharmacy is closed, order it as above and refer patient to "Vaccine Clinic" on the check-out sheet.

Children's Vaccines: 18 years and younger:

Children's vaccines are now available at both clinics; *they do not require an Rx just an order*

**See ORDERING above*

Children's vaccines CrossOver most commonly carries are:

Havarix (Hepatitis A-Ped)	MMR (Measles, Mumps, Rubella)
Energix-B (Hepatitis B-Ped)	MMR-V (Measles, Mumps, Rubella, Varicella)
Boostrix (Tdap-diphtheria/pertussis/tetanus)	Menactra (Meningococcal)
Tenivac (Tetanus)	iPol (IPV-Polio)
Gardasil (HPV)	

***Other vaccines may also be available, inquire if needed.

***WASTED VACCINE**-please contact Rafy Luqa with name and lot #*
