Gifts of Note

CrossOver was fortunate to receive the following notable gifts.

Thank you to:

E. Rhodes and Leona B. Carpenter Foundation

John Randolph Foundation

Thank you for your continued support!

Help Needed

Can you volunteer?

With 60% of services being provided by volunteers and an ever increasing number of uninsured people looking to become patients, additional help is needed in order for us to continue to provide high quality healthcare for those in need.

We're currently seeking individuals to help us in the following ways:

- **Dentists**
- **Nursing Volunteers for both clinics**
- **Primary Care Providers for both clinics**
- **GYN providers for both clinics**

Please click on the button above to go to the online application or contact Jackie Griggs at 804.422.2600 x119 or email jgriggs@crossoverministry.org.

Mission Clinics

Is your church looking for an outreach opportunity that doesn't involve travel? Are there a number of medical professionals in your congregation? If so, consider running one of our clinics on a Saturday morning. Not only will you be spared the time and expense associated with long distance travel, but you will be able to help individuals right in your own community.

If you are interested in this opportunity, please contact Jackie Griggs at 422.2600 x119 for more information.

We thank you and so do your

neighbors who need health care.

Give a Little Bit

You can support CrossOver in a variety of ways.

Become a member of the **Good Samaritan Society** by remembering CrossOver in your **estate plans**. For more information, contact Lynn Williams at 804-655-2794 ext. 102 or email lwilliams@crossoverministry.org.

If you are a frequent **Amazon** shopper, you can designate us as a recipient of a portion of your purchase through their **Amazon Smiles** program. More information as well as the link can be found on our [website](#).

United Way participant, school or government employees should ask that your contribution be directed to CrossOver by using the following numbers.

United Way of Greater Richmond & Petersburg #3200

Combined Federal Campaign #65367

Commonwealth of Virginia Campaign #3261

Local Schools & Government Campaign #118

Many employers sponsor **matching gift** programs and will match charitable contributions made by their employees (or spouses and retirees). If it is offered, simply request a matching gift form, and send it completed and signed with your gift. We will do the rest. This will double (or possibly triple) the impact of your gift.

To contribute, mail checks to:

8600 Quioccasin Road, Suite 102
Richmond, VA 23229

OR

CrossOver Pediatrics Expansion

This spring, thanks to a grant from [The Memorial Foundation for Children](#), CrossOver began an expansion of our pediatric program. Led by staff family nurse practitioner Katie St. Germain, our pediatrics program provides well-child and sick visits for our kids.

Yearly well child exams are vital to a child's health and wellbeing. At CrossOver these visits include:

- An annual **physical**
- **Vision and dental** screenings to spot any potential problems.
- **Developmental screenings** which ensure kids are meeting appropriate developmental milestones.

As anyone will school age kids knows, children are also vulnerable to acute illness, and it is important to have sick "same day" visits available to this population. Children may be brought to the clinic by their parent or guardian for same day care for a variety of conditions including ear infections, gastrointestinal problems, or cough and cold symptoms. It is our goal that these readily available appointments will help get children back "up and running" as soon as possible so as not to miss valuable time away from school and their friends.

This expansion also includes extensive training for staff and volunteers. This included drawing blood from children, assessing pain and vital signs in children, and assessing vision and basic dental health. In addition they were taught to recognize signs and symptoms of child abuse and human trafficking and what to do if either is suspected.

As CrossOver continues to care for pediatric patients, we are pleased to announce that these efforts will now be bolstered with the posting of a position for a staff social worker to work specifically with school-aged children and their families. Funded by a grant from the [Robins Foundation](#), this position will serve to support families who have children in area schools.

We are very excited to be able offer these expanded services to help make all of our families stronger!

Back to School Clinics

This month CrossOver will be holding our annual "Back to School" clinic for our community's low-income families.

Each year CrossOver provides hundreds of physical exams and vaccinations to students, enabling them to start the school year on-time. We need your help to make this event a success!

CALL FOR SUPPLIES:

In addition to providing medical exams and vaccinations, each year we provide all our students with some basic school supplies to help them get the year started.

If you, your congregation, or your company wish to collect supplies for CrossOver, please [click here](#) for a list of items needed.

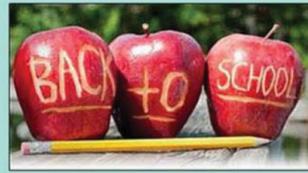

Please bring your supplies to any CrossOver location no later than Thursday, August 11. Please contact Jackie Griggs at jgriggs@crossoverministry.org or 804-422-2600 ext. 119 to arrange your delivery or if you have any questions.

If you will help plan or host a drive for school supplies, please let us know, so that we can plan accordingly. **Since we have expanded our pediatric services this year, we could see an increase in children needing help, and we want to meet that need!** Thank you for your continued support of this community event!

Thank you for your continued support of this community event!

5 TIPS FOR A HEALTHY START TO SCHOOL

- 1 REINSTATE ROUTINE:**
At least a week before classes start, get back to school time sleep schedules and cut back on playing computer games and watching television.
- 2 PACK HEALTHY MEALS:**
A well balanced diet is key to a healthy weight and a healthy immune system!
- 3 GET CHECK-UPS:**
A yearly wellness exam and proper vaccinations help prevent illness and missed school days.
- 4 TEACH PROPER HYGIENE:**
Make sure your kids know how and when to wash their hands. Teach them not to share hats or combs to prevent the spread of lice.
- 5 TAKE CARE OF YOURSELF:**
It's not just your kids who need the right rest and nutrition. Make sure you are keeping yourself healthy so you can take care of them.

Save the Date!

Compassionate Care Awards

The Jefferson Hotel

Tuesday, October 18, 2016

Join us on **Tuesday, October 18th** for the Compassionate Care Awards. In addition to honoring our dedicated volunteers -- **Sally Mitchell, RN, Gordon Prior, DDS, and Lindley Smith, MD** -- your attendance helps ensure that we are able to continue providing vital services to the community.

For more information or sponsorship opportunities please contact Lynn Williams at 804-655-2794 ext. 102 or lwilliams@crossoverministry.org.

We're Hiring!

Bilingual Staff RN/LPN/MA

The Bilingual Staff RN/LPN/MA oversees the staff & volunteer nursing ensuring that they are providing quality compassionate care to patients and exceptional assistance to our clinicians. This position will also serve as

the Assistant Clinic Manager and will manage the clinic in the absence of the Clinic Manager.
