- Gifts of Note**
- CrossOver was fortunate to receive the following notable gifts.
- Thank you to the following donors and foundations!
- Constance C. and Linwood A. Lacy, Jr. Foundation**
  - Custis Westham Fund of The Community Foundation**
  - The Delaney Bay Fund**
  - Metropolitan Health Foundation**
  - The Reinhart Foundation**
- Thank you for your continued support!**

**Help Needed Can you volunteer?**

With 60% of services being provided by volunteers and an ever increasing number of uninsured people looking to become patients, additional help is needed in order for us to continue to provide high quality healthcare for those in need.

We're currently seeking individuals to help us in the following ways:

- **Nursing Volunteers for both clinics**
- **Primary Care Providers for both clinics**
- **GYN providers for both clinics**

Please click on the button above to go to the online application or contact Molly Smith at 804.422.2600 x119 or email [msmith@crossoverministry.org](mailto:msmith@crossoverministry.org).

**Mission Clinics**

Is your church looking for an outreach opportunity that doesn't involve travel? Are there a number of medical professionals in your congregation? If so, consider running one of our clinics on a Saturday morning. Not only will you be spared the time and expense associated with long distance travel, but you will be able to help individuals right in your own community.

If you are interested in this opportunity, please contact Molly Smith at 422.2600 x119 for more information.

We thank you and so do your neighbors who need health care.

**Give a Little Bit**

You can support CrossOver in a variety of ways.

Become a member of the **Good Samaritan Society** by remembering CrossOver in your **estate plans**. For more information, contact Lynn Williams at 804.422.2600 x115 or email [lwilliams@crossoverministry.org](mailto:lwilliams@crossoverministry.org).

If you are a frequent **Amazon** shopper, you can designate us as a recipient of a portion of your purchase through their **Amazon Smiles** program. More information as well as the link can be found on our [website](#).

**United Way participant, school or government employees** should ask that your contribution be directed to CrossOver by using the following numbers.

- United Way of Greater Richmond & Petersburg #3200**
- Combined Federal Campaign #65367**
- Commonwealth of Virginia Campaign #3261**
- Local Schools & Government Campaign #118**

Many employers sponsor **matching gift** programs and will match charitable contributions made by their employees (or spouses and retirees). If it is offered, simply request a matching gift form, and send it completed and signed with your gift. We will do the rest. This will double (or possibly triple) the impact of your gift.

**To contribute, mail checks to:**

**8600 Quiocassin Road, Suite 102  
 Richmond, VA 23229**

**CrossOver Christmas Families**

Thanks to you our CrossOver Christmas Family program continues to grow and grow!

**The Garcia family and CrossOver's Social Work Coordinator, Abby Dini, M.S.W. (second from left) on gift pick-up day.**

Last year we were amazed when you helped us provide Christmas gifts to more than 30 families. This year that number reached 65!

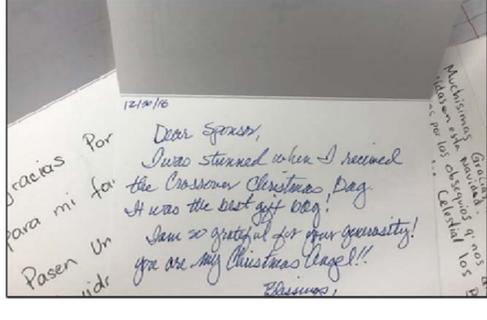

There were 39 total sponsors this year, which included extended families, church groups, and friends and family of CrossOver Healthcare Ministry.

In total more than **100 children** had presents under the tree this year thanks to the generosity of these sponsors.

Just a few of the presents brought in by our amazing donors and volunteers!

"Every sponsor and family were grateful for the holiday giving program at CrossOver," says staff Social Worker Abby Dini, MSW. "The sponsors were grateful to have a meaningful opportunity to give back to the community, and our families were overjoyed with the love, kindness and support they received during the holidays."

**Thank you notes written to sponsors by our grateful patients.**

Thank you once again to everyone who participated this year!

**2017 Spring into Action**

2017 Spring into Action Breakfast: This inspiring event brings together women from all over Richmond to raise funds and awareness to further CrossOver's mission.

**Save the Date!**  
**Wednesday, March 22, 2016**

**How you can help!**  
 There are two ways you can help us make this event a success for our patients:

- **Host a table:** Would you be willing to serve as a table captain for the Breakfast this Spring? The job is fairly simple - invite nine of your friends to breakfast.
- **Sponsor:** Underwriting sponsors ensure that the event is no cost for the attendees and CrossOver.

If you are interested in more information about these opportunities, please contact Lynn Williams at 804.655.2794 ext. 102 or [lwilliams@crossoverministry.org](mailto:lwilliams@crossoverministry.org)

**New Year, New Roles**

**Volunteer Program Manager:**

We are excited to announce that Molly Smith has accepted the position of Volunteer Program Manager. For the past two years, Molly has been the Eye Program Coordinator for CrossOver. Molly is bringing great enthusiasm to our Volunteer Program.

**Eye Coordinator:**

Our current eye Technician Karen Bosley is moving into the role of Vision Coordinator. Karen has been with CrossOver for more than a year and is looking forward to this new opportunity in our vision program.

**Administrative Coordinator:**

Millie Rocha started several years ago at CrossOver as a dental assistant. She then moved into a role as a bilingual patient advocate. Now she has accepted the position of Administrative Coordinator. Millie is excited for this new challenge!

**Interim Clinic Manager:**

Few people have been at CrossOver as long as Eleanor Sanchez. She has been a main stay at the front desk at our Cowardin Clinic for 12 years. She will now take on the responsibilities of interim Cowardin Clinic Manager.

**Outcomes Data Analyst:**

Finally someone new! Join us in welcoming Rome Jumper! Rome is a recent graduate of the University of Richmond. He is enthusiastic and ready to bring his knowledge and skills to our administrative team as our Outcomes Data Analyst.
